VACCINE**

Introduction

The Victorian Government has announced that all students aged 16 years and above in Victoria are eligible to book and receive their COVID-19 vaccine at a state vaccination clinic or through their participating GP or pharmacy.

The Victorian Government is encouraging everyone aged 16 and above to book their vaccine appointment. We want to especially encourage those students in their final year to book their vaccination appointment as soon as possible.

To help support the safe conduct of end-of-year exams, the Victorian Government announced a vaccination blitz for final year school students (all Victorian Certificate of Education (VCE) Units 3 and 4 students, final year Victorian Certificate of Applied Learning (VCAL) and International Baccalaureate (IB) students), their teachers and exam supervisors and assessors.

The blitz will begin on 7 September and continue until 19 September. During the blitz, final year students, their teachers and exam supervisors and assessors will have access to priority timeslots to attend their vaccination appointment at a vaccination centre.

The Premier has recently announced a call to action for Victoria to achieve one million vaccine doses by September 19. To support this goal, capacity has been significantly scaled up across the state-run system.

To help stakeholders understand and share important information about COVID-19 vaccine eligibility and safety, we have put together this communications toolkit.

This pack provides a range of materials such as social media content, a poster, web banners, newsletter copy and FAQs and other informational resources to help students and parents make informed decisions about their vaccination. It also provides handy links to various Commonwealth and State Government information resources about the vaccination program.

I encourage you to share and distribute these materials among your stakeholder communities to help encourage greater vaccine uptake.

Thank you for your support and efforts.

The Hon James Merlino MP

Deputy Premier

Minister for Education

Minister for Mental Health

Helpful online resources

The below resources will always include the most accurate and up-to-date information about COVID-19 vaccine eligibility and safety. Reference and use these resources in your communications to school staff about the vaccine.

Resources

Information on the vaccine and booking an appointment

Students and parents can book and/or change a vaccination appointment at a vaccination centre through the coronavirus.vic.gov.au website or contact the Coronavirus hotline by phoning 1800 675 398. To find a vaccination centre and opening times, visit the coronavirus.vic.gov.au website.

You can also get your COVID-19 vaccine at a doctor's clinic, pharmacy or community health service through the [Australian Government Eligibility Checker](#). You can book your appointment online or by calling the vaccine provider nearest to you.

For information about the COVID-19 vaccine rollout, visit coronavirus.vic.gov.au

The logo consists of a solid orange rounded square. Inside the square is a white speech bubble shape with a tail pointing downwards. The text "VOICES FOR VACCINE" is written in blue, uppercase, sans-serif font inside the speech bubble.

Suggested social media content

Here are some sample social media posts and tiles that can be used across your own social channels to help encourage awareness of COVID-19 vaccine eligibility and uptake. Feel free to edit and personalise these posts to suit your own style.

Please tag @DETVic and use #COVIDVaccine so we can like and share.

Copy options

Option 1

All Victorians aged over 16 are eligible to receive a COVID-19 vaccine. Final year students are encouraged to book their appointments now to support the safe conduct of the examinations. Visit coronavirus.vic.gov.au/vaccine or covid-vaccine.healthdirect.gov.au/eligibility to book an appointment.

Option 2

A vaccination blitz will begin on Tuesday 7 September for final year school students, their teachers and exam supervisors and assessors, who will have access to priority timeslots to receive their first #COVIDVaccine and book their second dose via a dedicated hotline.

Suggested newsletter content

Please consider using the draft content below in your organisation's newsletter or preferred communication channel. You can customise the content as required for your style and audiences.

Message for students

Dear students

As part of the COVID-19 vaccination roll-out, all students aged 16 years and above are now eligible to receive the Pfizer COVID-19 vaccine.

The Victorian Government aims for all final year students (all Victorian Certificate of Education (VCE) Units 3 and 4 students, final year Victorian Certificate of Applied Learning (VCAL) and International Baccalaureate (IB) students) to receive their first dose by the time they sit their end-of-year exams and provide at least one dose for children aged 12 and older by the end of the school year.

Vaccination blitz for final year students

To help support the safe conduct of end-of-year exams, the Victorian Government announced a vaccination blitz for final year school students, their teachers and exam supervisors and assessors. The blitz will begin on 7 September and continue until 19 September. Final year students, their teachers and exam supervisors and assessors will also be able to book their first and second doses via the dedicated appointment booking hotline.

Consent

Students can book their own appointment and consent to vaccination themselves if the health professional assesses them to be a mature minor. That is that the health professional assesses that you understand the information relevant to the decision to be vaccinated and the effect of that decision.

How to book an appointment

To book an appointment, call the final year vaccination blitz hotline on 1800 434 144 or visit the coronavirus.vic.gov.au website. The hotline will operate from 8am to 8pm.

Year 12 students will be able to book from 8am Monday 6 September.

Other Unit 3 and 4 students can book from 8am Wednesday 8 September.

To find a vaccination centre and opening times, visit the coronavirus.vic.gov.au website.

You can also get a COVID-19 vaccine at a doctor's clinic, pharmacy or community health service through the [Australian Government Eligibility Checker](#). You can book your appointment online or by calling the vaccine provider nearest to you.

What to bring

Bring these things, if you have them:

- a face mask
- any emails about your vaccination appointment (on your phone or printed)
- photo identification, if you have one, such as a passport or driver's licence
- a Medicare card or [Individual Healthcare Identifier](#) number

Please refer to Department Health information on [what to bring to your vaccine appointment](#) for more information.

More information

For more information about eligibility, visit coronavirus.vic.gov.au or use the Australian Government's [COVID-19 vaccine eligibility checker](#).

For further assistance, contact:

- the Department of Health Coronavirus hotline: 1800 675 398
- the National coronavirus and COVID-19 vaccine helpline: 1800 020 080.

Please feel free to reach out to me if you have questions.

Template letter for parents

Dear parents/guardians and carers

As part of the COVID-19 vaccination roll-out, more Victorian school students are now eligible to receive the Pfizer COVID-19 vaccine.

All students aged 16 and older can now book a Pfizer COVID-19 vaccine at state vaccination centres or through their participating GP or pharmacy.

To help support the safe conduct of end-of-year exams, the Victorian Government announced a vaccination blitz for final year school students, their teachers and for exam supervisors and assessors.

The blitz will begin on 7 September and continue until 19 September. During the blitz, final year students, their teachers and exam supervisors and assessors will have access to priority timeslots to attend their vaccination appointment at a vaccination centre.

Final year students, their teachers and exam supervisors and assessors will also be able to book their first and second doses via the dedicated appointment booking hotline 1800 434 144.

The hotline will operate from 8am to 8pm.

Year 12 students will be able to book from 8am Monday 6 September.

Other Unit 3 and 4 students can book from 8am Wednesday 8 September.

Final year students should book an appointment as soon as possible to support the safe conduct of examinations. As their parent/guardian, I encourage you to help them to book and if needed, support them to attend their appointment.

General Achievement Test (GAT) and Victorian Certificate of Education (VCE) Examinations

The following assessments for senior secondary students will be conducted with health and safety controls in place:

- The GAT has been rescheduled and will take place on Tuesday, 5 October 2021
- Final VCE examinations will take place from 4 October – 17 November 2021

Students completing their final year are particularly asked to book an appointment as soon as possible through the dedicated hotline 1800 434 144 to support the safe conduct of examinations. As their parent/guardian, I encourage you to help them to book and if needed, support them to attend their appointment.

Final year students are asked to consider getting their first vaccine before the GAT on 5 October. In addition, it's recommended not to get the vaccine on the day of an exam, or the day before an exam - to avoid feeling common but mild side effects such as tiredness, headache, muscle pain, fever and chills and/or joint pain during your exam.

Consent

Students can book their own appointment and consent to vaccination themselves if the health professional assesses them to be a mature minor. That is that the health professional assesses that you understand the information relevant to the decision to be vaccinated and the effect of that decision.

How to book an appointment

To book an appointment, call the final year vaccination blitz hotline on 1800 434 144 or visit the coronavirus.vic.gov.au website. The hotline will operate from 8am to 8pm. Year 12 students will be able to book from 8am Monday 6 September. Other Unit 3 and 4 students can book from 8am Wednesday 8 September.

To find a vaccination centre and opening times, visit the coronavirus.vic.gov.au website.

You can also get a COVID-19 vaccine at a doctor's clinic, pharmacy or community health service through the [Australian Government Eligibility Checker](#). You can book your appointment online or by calling the vaccine provider nearest to you.

More information

Translated advice about the vaccines is available on the coronavirus.vic.gov.au website.

For more information about eligibility, visit coronavirus.vic.gov.au or use the Australian Government's [COVID-19 vaccine eligibility checker](#).

VACCINE

When is the COVID-19 vaccine becoming available to students?

All students 16 years and over are now eligible to receive the Pfizer COVID-19 vaccine and are encouraged to book as soon as possible.

The Victorian Government aims for all final year students (all Victorian Certificate of Education (VCE) Units 3 and 4 students, final year Victorian Certificate of Applied Learning (VCAL) and International Baccalaureate (IB) students) to have their first vaccination dose by the time they sit their end-of-year exams.

In addition to everyone 16 years and over, young people aged 12 -15 years are currently eligible to book if they:

- have an underlying medical condition or disability, including NDIS participants
- are Aboriginal or Torres Strait Islander.

Students, parents/guardians and carers are encouraged to book their vaccine at a vaccination centre using the [online booking system](#) or by calling the Coronavirus Hotline on 1800 675 398. You can also get your COVID-19 vaccine at a doctor's clinic, pharmacy or community health service through the Australian Government Eligibility Checker. You can book your appointment online or by calling the vaccine provider nearest to you.

All people in Australia aged 12 and over are eligible for the COVID-19 vaccine, with bookings for children aged 12 to 15 open from 13 September 2021 via GPs, Commonwealth Vaccination Clinics and Aboriginal Community Controlled Health Organisations.

When can final year students get vaccinated?

To help support the safe conduct of end-of-year exams, there is a vaccination blitz for final year school students (all VCE Units 3 and 4 students, final year VCAL and IB students), their teachers and for exam supervisors and assessors.

The blitz will begin on 7 September and continue until 19 September. During the blitz, final year students, their teachers and exam supervisors and assessors will have access to priority timeslots to attend their vaccination appointment at a vaccination centre.

Final year students, their teachers and exam supervisors and assessors will also be able to book their first and second doses via the dedicated appointment booking hotline on 1800 434 144.

What is the Department of Education and Training's role regarding the COVID-19 vaccine roll-out?

The Department of Education and Training (DET) is strongly encouraging final year students to get vaccinated by the time they sit their end-of-year exams.

Schools, parents and students are encouraged to refer to [coronavirus.vic.gov.au](https://www.coronavirus.vic.gov.au) or the [Australian Government Department of Health](#) for further information about the vaccine rollout.

What do you need to bring to a vaccination appointment?

Bring these things, if you have them:

- a face mask
- any emails about your vaccination appointment (on your phone or printed)
- photo identification, if you have one, such as a passport or driver's licence
- a Medicare card or Individual Healthcare Identifier number

For information refer to [Before you get vaccinated for COVID-19](#).

How do I find out where to go to get the vaccine?

Information on how to book a COVID-19 vaccine, and where vaccines are being administered, is available at: <https://www.coronavirus.vic.gov.au/book-your-vaccine-appointment>

You can also get a COVID-19 vaccine at a doctor's clinic, pharmacy or community health service.

You can find a participating doctor, pharmacy or community health service through the [Australian Government Eligibility Checker](#). You can book your appointment online or by calling the vaccine provider nearest to you.

FAQs continued

If I want to get vaccinated, when should I get the COVID-19 vaccine?

You are encouraged to book your vaccination appointment as soon as possible.

While senior secondary students are encouraged to get their first dose before the GAT on 5 October, it is recommended that students do not schedule their vaccination appointment on the day of the GAT, or any exam or the day before an exam. This is to avoid feeling common side effects such as tiredness, headache, muscle pain, fever and chills and / or joint pain during your exam.

Which vaccine will I be receiving?

Students aged 16 and over will be offered the Pfizer vaccination at their state vaccination centre appointment.

Any secondary student who is 18 or older and who has already received one dose of their AstraZeneca vaccine should continue to proceed with their second dose of AstraZeneca. This is consistent with current health advice.

I can't find any available appointments nearby, what do I do?

Information on how to book a COVID-19 vaccine, and where vaccines are being administered, is available at: <https://www.coronavirus.vic.gov.au/book-your-vaccine-appointment>.

Students and parents may also call the Coronavirus Hotline on 1800 675 398. Please be patient as there may be wait times for appointments. Final year students can book their first and second doses via a dedicated appointment booking hotline 1800 434 144 as part of the vaccination blitz between 7 September and continue until 19 September.

How should parents and teachers help support students for vaccination bookings?

Schools are asked to share information about eligibility and access to students, parents, guardians and carers.

Parents, guardians and teachers are encouraged to help support students and especially final year students to make their vaccination appointment for as soon as possible. Once an appointment has been made and if this is to occur during school hours, they should discuss and plan their expected absence and impact on learning requirements.

Schools should exercise maximum flexibility to enable all eligible students to book and then attend their vaccine appointments.

Students can book their own appointment and consent to vaccination themselves if the health professional assesses them to be a mature minor.

Can I make an appointment to be vaccinated during school hours?

Final year secondary students are asked to make an appointment as soon as possible.

Year 12 students will be able to book from 8am Monday 6 September. Other Unit 3 and 4 students can book from 8am Wednesday 8 September.

Secondary students aged 16 and above are encouraged to make appointments at times that minimise disruption to their learning where possible. Prior to their appointment students should discuss absence with teachers and parents/guardians and carers.

Is the vaccine mandatory?

No. Vaccination for COVID-19 is voluntary for students aged 16 and above, however it is strongly encouraged and will assist in giving VCE students more certainty around sitting their end-of-year exams.

VOICES
FOR
VACCINE

FAQs continued

Can my school force me to be vaccinated?

No. The vaccines are voluntary for the general community, which includes students and you can choose if you want to get vaccinated against COVID-19. The more students who are vaccinated, the more protected our community and schools will be.

Can I take time off after the vaccine if I'm feeling unwell?

Students should discuss their health if they are feeling unwell with parents/guardian and carers and plan absence from school with their teachers where appropriate.

The Victorian Department of Health advises that like all vaccinations, COVID-19 vaccines can have side effects. For more information on the potential side effects of COVID-19 vaccination, visit the [Department of Health](#) website.

Is the vaccine safe? I am concerned about the vaccine and its possible side effects.

Please refer to the [Department of Health](#) website for information on vaccine safety and possible side effects.

I have just had my flu vaccine, or am planning to have my flu vaccine, can I still have the COVID-19 vaccine?

It is recommended to leave a period of 7 days between receiving the flu vaccine and the COVID-19 vaccine. Vaccination planning can be discussed with your immunisation provider. For more information please refer to the [Department of Health](#) website.

My disability/medical condition affects my ability to physically access the vaccine. Are there other options?

Students should speak to their doctor if they have questions about the COVID-19 vaccine and their health.

Information on how to book a COVID-19 vaccine, and where vaccines are being administered, is available at the [Department of Health](#) website. You may also call the Coronavirus Hotline on 1800 675 398 to discuss any additional requirements you may have.

The [Disability Liaison Officer \(DLO\)](#) program aims to help more people with disability access health services, including:

- COVID-19 testing
- COVID-19 vaccination
- advice and prevention through linking people to other health supports.

Where can I find more information about the COVID-19 vaccine?

Information about COVID-19 vaccines can be found on the [Australian Government Department of Health](#) website and the [coronavirus.vic.gov.au](#) website.

You may also refer to [Information for education staff receiving a COVID-19 vaccine | Coronavirus Victoria](#).
