

MLMC'S LEARNING@HOME PROGRAM

PROGRAM DELIVERY

ONLINE LEARNING RESOURCES

CONNECTING WITH TEACHERS

Communication between students and staff is through email, Google Classroom subject pages or GoogleSuite. Your Year Level Leader will maintain regular posts during the week on Google Classroom pages. Class teachers will keep Year Level Leaders and Campus Directors informed of any academic or pastoral concerns.

LEARNING SPACES SET UP

- Make sure your device is charged and connected to power and WIFI
- Keep a water bottle nearby so you can stay hydrated throughout the day
- Find a chair that is comfortable and supports your back
- Have everything you need close by - your device, textbooks, post-it notes, workbooks, calculators, notebooks and pens

TIPS FOR STAYING ORGANISED

It is important to stay organised. Use your Planner to record tasks, activities and due dates. Remember to check your Gmail, SIMON and Google Classroom for any program updates or messages from teachers.

HEALTH AND WELLBEING

Eat well, stay hydrated and make sure to get some exercise. If you need support please contact your home room teacher, level leader or a member of the Counselling and Wellbeing team. Additional resources can be found on the website under [newsandevents/coronavirus](#)
