

Letter of Congratulations

31st Aug 2020

Dear Andrew and Cathy,

It is with great pleasure to inform you that Mount Lilydale Mercy College has successfully received certification for the ResourceSmart Schools Biodiversity Module, 2 and 3 Stars. Congratulations on this wonderful achievement as participants of this award-winning Victorian Government program!

Mount Lilydale Mercy College has contributed to these outstanding savings collectively achieved by all ResourceSmart Schools in 2020 –

- planted more than 22,700 plants
- avoided the creation of 14,000 tonnes of CO₂
- saved \$5.4 million in costs
- avoided 31,436 cubic meters of waste

CERES would like to thank Mount Lilydale Mercy College for its contributions to sustainability and educating our future leaders.

Your school will receive two stars from Sustainability Victoria, and a certificate for your completed module will be available for download from your school's ResourceSmart Online account.

We wish you all the best with your sustainability endeavors and look forward to continuing our work with you through ResourceSmart Schools.

Kind regards,

Laura Nix
