Make Up

- Make up is not permitted, except for a limited amount of foundation which contains SPF 30+.
- Nail polish is not to be worn.

Shoes

- Black leather lace-up shoes with standard sized heels are required. If shoes are damaged or if students grow out of them, parents should endeavour to replace them as soon as possible. If this presents a financial difficulty for parents, parents can have the matter dealt with discreetly through an appropriate Year Level Leader. Students may bring runners to school for use in sporting activities at recess and lunchtime, but they must change into their correct shoes for classes and for travelling home from school.

Waterproof Coat & Umbrellas

- A waterproof coat may be purchased from the Uniform Shop for use on rainy days in order to keep the blazer dry. This coat may be worn at recess and lunchtime but not to class. Students are encouraged to bring umbrellas to school on days when rain is expected.

College Backpack

- Students should use the official College backpack, which should remain graffiti free at all times.

Uniform Notes From Parents

- If students are unable to wear the correct uniform, they are required to bring a note from home explaining the situation. Notes should be given to the relevant Year Level Leader at the start of the day. Such notes will, in most cases, be valid for no more than two days.

Travelling To and From School

- Students are reminded that they should be in full College uniform from the moment they leave home until they arrive home at the end of the day. Blazers must be worn to and from school. The exception to this is throughout February when the wearing of the blazer is optional.

- If students are not travelling home immediately after school and remain in school uniform, they must wear the full uniform correctly as they are continuing to represent the College. If students are with their parents after school, parents should ensure their son/daughter's uniform is being worn correctly.
- Students participating in rehearsals, dance practice, music lessons or any other activity immediately after school must wear the full school uniform when they do eventually travel home.
- Year 8, 9, 10, 11 and 12 students may wear full sports uniform to and from school on days they are scheduled for sport. This means that they must wear the sports jacket and track pants (Terms 2 and 3) to and from school. Alternatively, students may wear full school uniform to and from school and change into sports attire at school.

Deodorant Spray Cans

- Because of the impact on asthmatics and others, students are asked not to bring spray deodorants to school. Roll-on or pump deodorants are preferred.

General

- All items of clothing must be the approved uniform. Senior students representing the College in weekly inter-school competition must wear the appropriate uniform for their sport. If unable to wear the appropriate sport uniform, the student cannot participate in EISM competitions.
- The student's name should be clearly printed on each item of clothing.

Sanctions

- Correct wearing of the uniform should be the responsibility of each student. This responsibility encourages self-discipline, which is a vital part of our students' movement towards adulthood. It is unnecessary and unfortunate if uniform becomes a source of conflict between staff and students. Parents are expected to support the College by ensuring their son/daughter is correctly attired according to school regulations (see Responsible Behaviour Policy).

Consequences for Uniform Breaches

- Staff will not argue with students who are not following these requirements. Consequences will apply and students who do not follow the uniform expectations will be required to make the appropriate changes in their behaviour and failure to do so in a prompt manner will lead to their exclusion from our community until they do so.

Special Year 12 Variations

- The final year of secondary education is a special year for students, many of whom reach their legal 'majority' during this year. In recognition of the greater maturity of the Year 12 students, special arrangements can be made, on an annual basis, for a variation of the uniform for Year 12 students only. Such a variation will require the students themselves making a formal application to the Principal. Following receipt of the application, a process of consultation will be undertaken prior to the approval being granted to individuals to wear special items of clothing for part or all of this year. Such items of clothing will be in accord with the uniform rationale articulated in this policy. Any such variation to the uniform will be optional for individual students.

Special Co-curricular Activities

- Some co-curricular activities may choose to design and wear activity t-shirts or wind cheaters. The design of such items must be approved by the Principal before being manufactured. These clothing items must not contain the College crest without specific approval. Such clothing items may be worn during the specific activity, but may not be worn at school during normal College hours without prior written approval from the Principal.

APPENDIX 1 – CASUAL CLOTHES DAYS GUIDELINES

Casual Clothes Day Guidelines

Casual Clothes Days are organised as a part of the fundraising activities of the College. As with any other school day, students are expected to wear neat and tidy serviceable clothes that avoid extremes in fashion.

Prior to such an event there will be extensive publicity undertaken with students and parents as to the acceptable standard of dress for a Casual Clothes Day.

The final decision as to what is acceptable rests with the relevant Campus Director. In the event of student dress not complying with these guidelines on a casual clothes day, the parent / guardian will be contacted and asked to bring appropriate clothing to school or arrangements will be made for the parent/guardian to collect their child from school.

Participation in a casual clothes day is optional. Should a student choose not to participate then he/she must wear full school uniform.

As a general guide to what is an appropriate standard of dress for such occasions the following points are made:

- All tops must cover the shoulders and should not be low cut.
- All tops should be of sufficient length to cover the midriff.
- Tops should not be see through.
- Shorts, skirts and dresses should be of a reasonable length - mid thigh or longer.
- Shirts and t-shirts should not have inappropriate or offensive logos or messages.
- Singlet tops are not to be worn.
- All footwear must completely cover the foot as a safety measure. Sandals or thongs are not permitted.
- If a student has a Sport / PE practical lesson on the day their clothing should be of a nature that allows them to participate in the lesson.
- Normal jewellery and make up requirements apply on the day.

College Camps and Excursions

Generally speaking, the guidelines for casual clothes days apply to all camps and excursions, recognising that some activities require specialist equipment / clothing that may vary because of the nature of the activity.
